

§ 89F-13. Issuance, renewal, and replacement of licenses.

(a) The Board shall issue a license to any applicant who has satisfactorily met the requirements of this Chapter including the payment of the license fee. A license shall be valid for the period of time established by the Board by rule. Each license shall state the full name of the registrant, shall have a serial number, shall state the date on which the license expires, shall be signed by the Chair and Secretary-Treasurer of the Board, and shall bear the seal of the Board. The issuance of a license by the Board shall be prima facie evidence that the person named on the license is entitled to all the rights and privileges of a licensed soil scientist for the period the license remains in effect.

(b) The Board shall renew the license of any licensee who continues to meet the requirements of this Chapter and who pays the renewal fee prior to the expiration of the license. The Board shall reinstate the license of any licensee whose license has expired, who continues to meet the requirements of this Chapter, and who pays the restoration fee.

(c) If a license is lost, destroyed, or mutilated, the Board may issue a replacement license subject to rules adopted by the Board. (1995, c. 414, s. 1.)
